

# Turn Key IT Solutions

## Ken Nix & Associates (KNA) is taking turnkey data center and IT solutions to a new level!

KNA's turnkey solution now includes:

- ✓ Structured Cabling
- ✓ Security and/or Access Control Systems
- ✓ Networking and/or Wireless Systems
- ✓ Audio Visual Solutions

By combining these additional services with a power quality and precision cooling solution, **customers can now enjoy the convenience of issuing only one purchase order** that captures the total project.

### About Ken Nix & Associates

KNA has been a trusted partner and solutions provider to many Partners over the last twenty years.

With this new offering, KNA now has the unique ability to self-perform all of the power quality, precision cooling, structured cabling, audio visual, access control and networking needs for any turnkey solution.

### Past Performance Includes...

- VBA Regional Offices
  - *Winston Salem, NC*
  - *Detroit, MI*
  - *Los Angeles, CA*
- Camp Zama Army Base, Japan
